Share and Collaborate: Create, View, & Edit Your Tasks Together in Real-Time. We love this extension as it introduces a new, fresh approach to the task management field: simplicity, speed, versatility, but above all, collaboration. Features such as push notification system, social integration, and mobile apps make this task management extension stand out from the crowd. Anything is possible with Taskade for Chrome. This may sound absurd, but it's true: the tool isn't limited to the requirements of a desktop app. It can manage lists, lists of lists, tasks, and the like, and does so with ease. If you're looking for a content management system, you might want to try Taskade instead. Lastly, Taskade for Chrome comes with a relatively short free trial and, if we're being honest, it's a little bit difficult to determine what exactly a money-back guarantee entails in this case. However, the price might not seem so great if you take a closer look at the tool and consider how many times it might save you money and time. A treasure of productivity-enhancing tools If you're looking to boost your creativity, improve your thinking, and become more efficient at work, the list of productivity tools is a big one. However, that's not to say the category is devoid of features - quite the opposite. Different tools in this category can be 09e8f5149f
